Dear Messrs. and Mesdames:

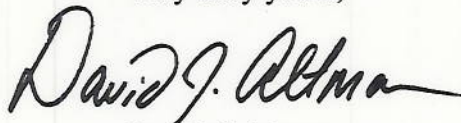

We note that according to Local Rule 9.70(d)(1), the California Coastal Commission and the California State Coastal Conservancy, in the respective above-entitled actions, were obligated to serve us, by June 5, 2000, with a preliminary notification designating the location of the documents anticipated to be incorporated into the Administrative Record, the contact persons responsible for identifying the agency personnel or other persons having custody of those documents, and the dates and times when those documents will be made available to Petitioners or any party for their inspection and copying. In addition, the notice was also to specify photocopying procedures and conditions.

Furthermore, pursuant to Local Rule 9.70(j) and Section 21167.8(c) of the Public Resources Code, the California Coastal Commission and the California State Coastal Conservancy, in the respective above-entitled actions, were obligated to file with the Court and serve us, by June 5, 2000, with a notice setting the time, date, and location of a settlement meeting among all parties.
